Technical seminar

“Citizen science and forest health monitoring”

Prof. Dr. Flor Álvarez Taboada

Universidad de León
Escuela de Ingeniería Agraria y Forestal
Ponferrada (Spain)

2 February 2023, 09:30-12:30 am CET
room T1, via San Bonaventura 13
Università di Firenze

*Have you heard of Big Data? Artificial Intelligence? Citizen science? The more (data), the merrier?
In this seminar you will learn how to use these tools for forest health monitoring
and you will test our Apps*
